RE: Lockhart Power Company Request for Approval of Revised Schedule I (Industrial Service)

Docket No. 2018-293-E

Dear Ms. Boyd:

By this letter, the South Carolina Office of Regulatory Staff ("ORS") hereby notifies the Public Service Commission of South Carolina ("Commission") that ORS has reviewed and discussed with Lockhart Power Company ("LPC" or "Company") personnel the Company's request for approval of Revised Schedule I (Industrial Service).

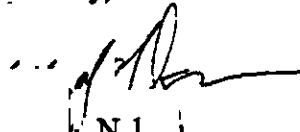

The current language of Schedule I only allows customers classified as "Manufacturing Industries" by the Standard Industrial Classification Manual, 1957 or later revision. By deleting the first two sentences of the current Schedule I, customers not classified as "Manufacturing Industries" with loads that would otherwise qualify could utilize such rates if Schedule I is more advantageous. The Company states the proposed revision does not result in any rate increase to LPC's customers.

Based on our review of the information provided, ORS does not object to the Company's request for approval of Revised Schedule I.
